P: 09124498160  
A: Kano State, 700225 Nigeria

## PROFESSIONAL SUMMARY

Accomplished Front End Developer with a proven track record at Aldong, enhancing web functionality and user experience through expert application of HTML, CSS, JavaScript, and React.js. Excelled in team collaboration and critical thinking, significantly improving project outcomes. Demonstrated mastery in responsive design and front-end development, ensuring optimal performance across devices.

## WORK HISTORY

### Aldong - Front End Developer

Kano State • 06/2024 - 11/2024

- Utilized HTML, CSS, and JavaScript to create visually appealing and responsive web pages that met client requirements.
- Coded using HTML, CSS, and JavaScript to develop features for both mobile and desktop platforms.
- Produced websites compatible with multiple browsers.
- Worked closely with UX/UI designers to translate their designs into functional web applications.
- Collaborated with back-end developers to improve website functionality and integrate new features.
- Utilized version control systems such as Git to track changes throughout the development process.
- Optimized site content for mobile devices using responsive design techniques.
- Researched emerging web technologies and trends for possible incorporation into sites.
- Guided migration of websites to HTTPS, enhancing security and improving search engine visibility.

### @dfhtechnologies - Web Developer

Kano State • 03/2023 - 03/2024

- Coded websites using HTML, CSS, JavaScript, and languages.
- Enhanced user experience by implementing responsive web design and optimizing website performance.
- Developed custom web applications, resulting in tailored solutions for client needs.
- Converted mockups into functional web applications utilizing modern coding techniques.
- Adhered to SEO best practices while designing sites.
